National Apprenticeship Webinar

Just a reminder you can now book your place for the first event in our National Webinar Series for career leads, parents & carers and students. This month they will have guest speaker Siobhan Williams from UCAS to talk about apprenticeships and the application process, and Nerisa Anwar from our employer partner KPMG.

MFL

We have been overwhelmed with the applications for language learners. We are meeting this week to look at how we raise the profile of languages, and how students can help drive this. If there are any parents with language links, whether that be speaking another language at home, or with their work we would love to know.

Mrs J Morgan  
Head of MFL

Diversity Council

This week we hosted our first Diversity council meeting with staff, students, and families. Thank you to all who participated, with the aim of celebrating our school's unique diversity. We look forward to our future workings together!

### KS4 Celebration Evening

Congratulations to all the winners and nominees at this year's KS4 Celebration Evening. The evening was a great success, and enjoyed by all to celebrate the success of our amazing Year 10 and Year 11 students. This was the first Celebration Evening we have held since covid lockdowns; it was brilliant to see so many of our students and families in attendance to acknowledge the amazing efforts, progress, and brilliance of our students. We are looking forward to welcoming the students and families of our KS3 cohorts later on in the summer term.
