### Reading Partners

Students were awarded for their work supporting younger peers with their reading. Students who attended regularly made an average of 20% progress in 6 weeks from reading with their peers! This is a fantastic achievement, and all those involved wanted to do so again next year. We are so proud of them all. All students received a certificate, badge, and some sweets as a thank you for their work - Mrs Griffiths.

### Top Readers and Writers

Students in KS3 were awarded in the library this week for being the top readers in their Small School. One student pictured here, was awarded for their fantastic writing piece which won in the whole school competition. There was also a special recognition for 2 students who had explored a range of genres this year. These students also received a book voucher. Fantastic reading! Mrs Griffiths and Mrs Blakely could not be prouder!

### Library Assistants

Our student librarians were presented with a thank you card from our librarian, Mrs Blakely, and a 'Library Assistant' badge as a thank you for their fantastic work in the library this year. Mrs Blakely has thoroughly enjoyed working with them all and is so grateful for all their efforts supporting the library this year. We hope they enjoy their new shiny badges and wear them with pride!
