**News – for photos and daily updates, please check out our Instagram and Twitter accounts @ButonBorough**

Wednesday 17 May is National Numeracy Day – the UK's only day dedicated to everyday maths.

It's a day that celebrates the importance of numbers for children and adults alike, building brighter futures through confidence with numbers and inspiring everyone to improve their numeracy skills.

**Number Heroes Competition (11 to 13):** With our younger students, we'll be sparking imaginations and conversations about using numbers and maths in our future dream jobs or hobbies. The in-school competition will result in reward points. We will enter these into the National Competition. The lucky winners of the national round will receive a £50 voucher for themselves, as well as a £1,000 prize bundle for their school!

**National Numeracy Challenge (13+):** We'll be encouraging our older students to improve their everyday maths skills and boost their number confidence with National Numeracy's interactive online tool. Similarly, we will be talking number positivity in CLL and in lessons.

One of the best ways to support children to feel positive about numbers is to feel confident yourself. National Numeracy has lots of free resources to help adults, so you can support your children with numbers and maths and boost your own numeracy skills too!

[You can access a range of free resources for adults on the National Numeracy Day website.](#)

Together, we can get the whole nation feeling good about numbers!

### Reminder

Parents/Carers, please can you ensure that you label your child's belongings.

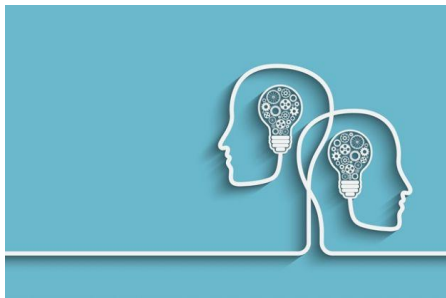

## **Year 11 National Citizen Service (NCS) Summer Programme**

In March all year 11 students received a presentation in assembly about this subsidised programme which is a great way of developing transferable skills and meeting new friends. Letters were also emailed home to families. So far 15 students have registered an interest and 6 have signed up, but some of these haven't completed their medical forms to secure their place. Spaces are filling up fast, so if students are interested, please sign up and ensure both the payment and medical form are completed. Further financial support is also available for PP students. For more information contact the NCS contact centre a call on 0800 197 8010 or email them at [askncs@ingeus.co.uk](mailto:askncs@ingeus.co.uk). A video on how to sign up can be downloaded on the following link: <https://we.tl/t-R9Yj8VQiMD> (Please Note: the link will expire in 3 days, please contact Mrs Kane if you would like a new code resent after this date)

### **Visions and Values**

Students have worked really hard to tutor groups this week discussing their vision for the future of BBS. They have suggested some excellent Intent Statements, and identified which values they feel are important for the school community. We are now discussing these at SLT and will be taking our preferred Vision and Values to the Student Council for final consultation on Thursday. We continue to welcome the views of all our school community. If you would like to share your vision for BBS or the values you feel we should hold, please do get in touch [kim.stephens@taw.org.uk](mailto:kim.stephens@taw.org.uk)

### **Teaching and Learning**

We want all students to love learning and be academically successful. In staff training this week, we looked at Positive Behaviour for Learning and how teachers can establish this within the first 5 minutes of a lesson. These routines and expectations will be shared with students in assemblies next week. Our goal is to have all students thinking within 90 seconds of entering the classroom! All learning time is valuable.

### **Year 10 fundraising for Cancer Research**

Our Year10 students are raising money for Cancer Research as their friend has recently been diagnosed with cancer. If you are able to, please donate and support our students; <https://fundraise.cancerresearchuk.org/page/amelias-giving-page-152544>

FAMILIES OF STUDENTS ON  
THE SEND REGISTER ARE INVITED  
TO A YEAR 9

ON  
TUESDAY  
16th May 2023  
9.00 am — 11.30 am  
CONFERENCE ROOM, AT BBS

To confirm you will be attending, please email:  
[karen.langford@taw.org.uk](mailto:karen.langford@taw.org.uk)
