Wellbeing Mentors applications

We are now accepting applications for wellbeing mentors. Students in the current Year 7 through to Year 10 who are interested, need to apply with a couple of paragraphs saying why they would like to become one, and what they think they have to offer. You will have a full day's training next half term. Applications need to be emailed to karen.heins@taw.org.uk or see Mrs Heins' in her classroom (Comms 18). The closing date is Friday 9th June.

Any parental questions please email karen.heins@taw.org.uk.

Oxford University Trip – May 2023

Last week we took 15 lucky year 10 students for a taster day at University College, Oxford. While there they were able to see some of the sights of the city and got a tour of one of the oldest colleges in the world. They had lunch in the great hall (much like Hogwarts) and were able to speak to current undergraduates about the experience of studying there. On top of all this, they were able to experience a university-style seminar led by current students, so they could better understand the way teaching is done at one of the most prestigious universities in the world. All students and staff enjoyed themselves, despite over 5 hours in the minibus, and we look forward to running similar trips next year.

Online sharing Awareness

We are seeing an increasing number of incidents where indecent images have been shared on-line amongst students and friendship groups. The sharing of indecent images of a child (even if this is self-generated) is a criminal offence and must be reported to the Police. We are working hard in school to educate students on the dangers of sharing such images, and would be grateful if you could reinforce this message at home.

Year 11 GCSEs

Massive well done to our amazing Year 11s, who have completed their first full week of Exams. You have conducted yourselves impeccably, in what is a very stressful and extremely tiring period. Keep up the great work Year 11s – you got this!!!!!!

'Kids for a Quid' activities for May half term

Telford & Wrekin are offering their 'Kids For a Quid' holiday programme over the May half term, available for families, with indoor and outdoor activities happening 7 days a week. Family days out can be expensive, but the one-pound sessions allow residents to stay local, stick to a budget and keep the young ones busy and active when they are off school. Residents will need a Telford Loyalty Card to book sessions. Activities can be booked 7 days in advance (with the exception of swimming) to help ensure you get your guaranteed slots.
