Burton borough catering services have gone through a major change during the summer of 2013.

The catering provision is now provided in house by our own catering team. This gives us the opportunity to provide best practice and pricing for our catering.

We have been able to reduce prices on the september 2013 tariff. We can provide functions on request and have policies in place for the provision of special diet requirements.

Any questions you may have you can contact the catering department direct on [kitchen.bbs@taw.org.uk](mailto:kitchen.bbs@taw.org.uk)

We aim to link into school curriculum to work together as one school.
